Thomastown Peace Park Project: A small committee has been working on a proposal to construct a Peace Park in Thomastown. The concept is to have six standing stones in a semi-circle to reflect the conflicts of the last 100 years and to remember those Thomastown people who died in those troubled times. Each stone will reflect World War I, 1916 Easter Rising, War of Independence and Civil War, Spanish Civil War and World War II, the Troubles in Northern Ireland and finally the various United Nations and other Peace Keeping Missions. The most suitable site is an elevated area within the wild garden off the Quay in Thomastown. The Committee proposes to hold a Public Meeting on Thursday, 20th December at 7.30 pm in the Community Hall. The draft wording for each stone together with an artist’s impression of the overall scheme will be on display. These exhibits will be on view in the Community Hall for a few days either side of the Public Meeting. It is then proposed to apply for planning permission in January 2019.

The Carol Service in 2017 was 2 hours and 20 minutes long. Following feedback from many who attended, the Parish Pastoral Council together with the Carol Service Sub-committee have decided to trial a new format for our Carol Service 2018 to endeavour to keep it under an hour in length and have more participation from the congregation. Rest assured that this new format is just a trial. We will welcome any feedback you may have and will use your feedback to plan for 2019.
