Amoris Laetitia, The Joy of Love, is the letter written by Pope Francis on Love in the Family. As our Lenten Pilgrimage dwells on the Family, each week on the Newsletter we will include a thought from the letter. ‘Not all discussions of doctrinal, moral or pastoral issues need to be settled by interventions of the magisterium. Unity of teaching and practice is certainly necessary in the Church, but this does not preclude various ways of interpreting some aspects of that teaching or drawing certain consequences from it. This will always be the case as the Spirit guides us towards the entire truth, until he leads us fully into the mystery of Christ and enables us to see all things as he does. ‘Cultures are in fact quite diverse and every general principle needs to be enculturated, if it is to be respected and applied’.
